For each additional 5,000 add	33	350

740 17 EXCHANGE CENTRAL SUPPORT FACILITY (sq.m./SF)

Central support facilities not otherwise identified herein will be considered on an individual basis. Such facilities are normally provided in overseas areas and may comprise: central kitchens, bakeries, refrigerated storage plants, central repair shops, processing plants. They are sized and located depending upon the magnitude and dispersion of the exchange activities to be supported. Requests for establishment of such facilities will be submitted to the Assistant Secretary of the Navy (S&L) for approval.
