For license No. N62470-95-RP-00262 for use of berthing facilities at Naval Amphibious Base, Little Creek, VA to be used by Tidewater Community College:

There appears to have been no changes to the land use from the time of the '95 FOSL till now. That being the case, the original FOSL is still valid. If any changes to the land use occur, please inform this office so a determination can be made of the potential impact.

Thanks
