

Finding of Suitability to Lease

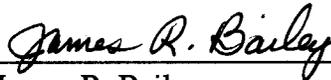

Norfolk Naval Shipyard, Portsmouth, VA
Northern Star Credit Union ATM Installations
License No. Lic-O-1110
9 July 2003

In accordance with ASN I&E Memorandum of 22 December 1993, I have reviewed the Environmental Baseline Survey (EBS) Checklist and/or related appropriate information concerning this property.

The ATM machines are located at the Norfolk Naval Shipyard in Building 403 (Navy Exchange) and at Scott Center in Buildings 1489 (Exchange Mini-Mart) and 1560 (Navy Exchange). Each ATM Machine is a stand-alone piece of equipment that plugs into a wall receptacle. An EBS checklist completed on 3 May 2003 did not identify any environmental issues at any of the ATM sites and the following statement applies:

Hazardous substances or petroleum products have not been stored for one year or more or known to have been released, treated or disposed of at any of the ATM sites.

It is hereby determined, after diligent inquiry, that the ATM sites are environmentally suitable for lease to the Northern Star Credit Union Department under the terms and conditions and for the proposed uses described in the license.
