

**Finding of Suitability to Lease
LO-0442**

**Navy Federal Credit Union
Lease to install, operate, and maintain
1 ATM Kiosk adjacent to Buildings 237 & 383
Naval Support Activity, Northwest Annex (NSANW), Chesapeake, Virginia**

In accordance with ASN I&E Memorandum of 22 December 1993, I have reviewed the Environmental Baseline Survey (EBS) checklist concerning this property. The Automated Teller Machine (ATM) site is located on the NSA-NW, Chesapeake, VA. This facility is to be a stand alone ATM Kiosk located in the parking lot adjacent to the Club Mariner (Bldg. 237) and the on-base Child Development Center (Bldg. 383).

An EBS checklist for ATM locations was developed to determine whether any areas of potential environmental concern exist at the property and to determine if the subject property is suitable for lease. This action is a new lease that includes installation, operation and maintenance of a Kiosk for ATM services. The following statement applies to the subject property:

The EBS checklist indicates that Hazardous substances or petroleum products are not known to have been released, treated or disposed of at the location.
