

**Finding of Suitability to Lease
Building 2262
Naval Station, Roosevelt Roads
Puerto Rico
To
United States Customs**

In accordance with ASN I&E Memorandum of 22 December 1993, I have reviewed the Environmental Baseline Survey (EBS) and/or related appropriate information concerning this property.

The subject building 2262 at Naval Station Roosevelt Roads is suitable for lease to United States Customs for storage and maintenance areas. This use will not impact the Navy mission at this location.

The building cannot be used for office or administrative use unless a more detailed investigation is conducted.

The property contains some level of contamination by hazardous substances or petroleum products. However, this property can be used pursuant to the proposed lease, with specified use restrictions in the lease, with acceptable risk to human health or the environment.
